“ *My thoughts and prayers are with you during these days. I remember you all fondly. Mr. Itrich was one of those folks, who I remember so well. One thing I remember is that he allowed me as just a kid to have an account at the drug store in Hebron so I could pursue my love of photography and buy gifts for my folks, like a Mothers Day ring for my wonderful mother. I remember coming in regularly to pay on my bill! Other wonderful memories are from the EUB Church in Hebron, remembering the services, Sunday School, the singing, and sense of community that was a part of my life in Hebron of which Mr. and Mrs. Itrich and the family were such a large part of those happy memories! God's Blessings to you all. Mr. Itrich's life is certainly one to be celebrated!*
