“ So Jamie I'm sorry I couldn't speak for you at your funeral I wasn't strong enough I regret that so many times I should have gone up but I was scared I was speechless I just can't believe you left so soon I wasn't ready for you to go and my life feels empty you were the only person I could talk to and I miss you dearly and I just wish you were still here and now I need you more than ever just like your family especially Veniece it hit us all I still keep in touch with the family as much as I can just to check up and I try to visit but every time I go over I break down in tears I was your little homie it's still hard on me like it was when I found out I'm sorry I couldn't speak for you I feel so ashamed I grew close the family and to you and I couldn't speak for you I choked I couldn't accept that you left so soon well I love you jamie and I always will and in my heart is where I'll keep you and I have eyes on the family I'll protect them cause they're my family too.
