“ To my dear Brother Jim and his loving wife Phyllis, I was so honored during these past weeks to be with you both. Jim's passing, although emotional, was such a beautiful and gentle release of his life. So many of your wonderful friends and our families visited during these last months that I know Jim was immensely pleased to be able to share so many memories with all. Although the next months will be difficult for you Phyllis, know that Jim's spirit will always be with you along with our support. He will be missed by all who knew him. Hugs, your sister-in-law and husband, Marsha Ross and Gerald Tevaarwerk

“ My prayers are with your family!
I do not remember ever meeting Jim but my Mom (Elaine) spoke highly of him. I wanted you to know that I am very sorry for your loss!
God Bless!
