“Peggy and Jack ~ Our deepest sympathy to you both. John, Dick, and I have fond memories of your mom. She was such a wonderful and talented lady - so ahead of her time. I have great memories playing at your house, Peggy, with your mom there fixing us lunch, etc. Your apricot tree was the best ever! In fact I purchased some cots at the store less than 2 weeks ago - they were not nearly as good but it reminded me of your mom so I was thinking of her in her last few days. Our moms always enjoyed getting together and visiting - mom always enjoyed Jean. We had strong ties to your family with your dad taking such good care of us. Know that your parents are at peace and truly lived a blessed life! John and I will try to make it to the service in August.  
Love, Janet
