“ Brad & Nicole,
We were saddened to hear of Jodie's passing. When she was a Grant parent and volunteer, I got to experience what a sweet and caring person she was. She had a welcoming smile, helpful nature, and showed kindness to everyone. On many occasions she stopped into my classroom to offer help in any way and to say a sincere hello. I know Jodi was very proud of her family and she had every reason to be. Blessings to you in the next few weeks as plans are made and you adjust to this season of life. Please reach out if there is anything we can do to lighten your load or special prayer requests. Hugs, Heather & Dan Wilson

“ Some of my first memories were of you and Danny babysitting or taking us to Lake Chelan. You were so much more than that though - you were part of our family. I love you and will miss you. - Peanut
