“ Judy and I were high school friends, and we stayed in touch through the years, I remember so many times at her family farm. We even had a slumber party at an old abandoned cabin on the farm. I still have the pictures. She was a wonderful, close friend in our teens, in time we drifted apart, only making contact from time to time, but she will always have a special place in my heart.

“ I loved watching Aunt Judy make her big fancy cakes! It was very special when she came out of "cake retirement" and made one for my bridal shower. She also made me my first cocktail!! 😊

“ Judy was a very strong loving woman. she loved her children and grandchildren very much. She fought very hard and still put a smile on her face through the pain. The Lord has received another beautiful angel. She will see her husband and other loved ones. Rest in peace Judy.
