

Judy Spagnole

May 31, 1953 - March 3, 2022

Judy Irene Spagnole was the daughter of K.R. and Midge Moore. She was born May 31, 1953 in Seattle, Washington.

Having received Jesus Christ as her Savior, she later felt the call of God as a young person to become a nurse. She attended Wenatchee Valley College and received her degree as a Licensed Practical Nurse. Judy worked for Central Washington Hospital in a variety of capacities from patient care to unit secretary for many years and in other health care facilities in Wenatchee.

In 1990 she met Salvatore Spagnole and they were married on May 16, 1992. They lived in Malaga for a brief time and when her mother developed Alzheimer's, they moved in to care for her until her death in 2006. Judy's nursing skills and family devotion were deeply treasured.

Judy and Sal have enjoyed traveling in their camper trailer, trips to Hawaii and several cruises. She supported Sal's participation in Amateur Radio and even got her own "Ham Ticket" KC7JNE. Part of the Ham activities they enjoyed were; Ham-Fests in the Pacific Northwest, the local Apple City Radio Club, and many other "Ham" events.

Throughout her adult life, Judy has endured numerous health challenges with grace. Her recent bout with cancer was no exception. During this ordeal she

remained composed, in love with Sal, and devoted to the Lord.

On March 3, 2022, surrounded by family, Judy peacefully slipped from this life into heaven. Her legacy as a caring person lives on. She is survived by her devoted husband, Salvatore Spagnole of Wenatchee; a brother and sister-in-law, Mike and Marilyn Moore of Wenatchee; 2 aunts, several cousins, and many friends who knew and love her.

There will be a private family internment but a Celebration of Life is planned for March 19, 2022; 2:00pm at Mid Valley Baptist Church in Dryden, WA.

“*Judy and Sal were our first friends when we moved to Wenatchee in 2007. We haven't met a more gracious couple since then and we are so happy to have known Judy. She was so kind and she was the perfect mate for a guy with such a big personality as Sal. We will miss having dinner with the two of them as it was always such a pleasure to dine with them together. We have all been blessed by the Lord above to have known Judy. Doug, Jessica and family.*
