

Julius Hardin Dunn

February 13, 1931 - March 2, 2011

Bud was born on February 13, 1931, to Julius and Addie Dunn of Entiat. Bud grew up in Entiat and, after graduating from high school, he joined the Army, served bravely in the Korean War and was honorably discharged from the service. He then married his childhood sweetheart, Edna Shiflett, and they had four children, Clayton, Susanna, William and Donna. Bud loved the great outdoors and spent most of his working career working for the U.S. Forest Service. After retirement, he worked at painting and photography, two of the many pastimes that kept him in the outdoors, making pictures of landscapes and unique old historic buildings. Bud went to be with the Lord on March 2, 2011.

He leaves behind son, Clayton and daughter-in-law, Miriam; daughter, Donna and son-in-law, George Hostetter; son, William and daughter-in-law, Katherine; and several grandchildren. His daughter, Susanna, and beloved wife, Edna preceded Bud to be with their Savior, Jesus Christ. "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain; for the former things are passed away." ~ Revelation 21:4 Besides his immediate family, Bud also leaves behind longtime friends, Veryl Clouse; Dave and Nita Watson; Don and Linda Olin; Mike Gouette; Dwayne Armstrong and several others. Any person would be greatly blessed to have one friend such as these people in their life, but Bud had many. Bud was a good husband, father and friend; he will be

greatly missed.

"Precious in the sight of the LORD is the death of his saints." ~ Psalms 116:15

A Graveside Service will be held for Bud at 10:30 a.m. Tuesday, March 8, 2011, at Wenatchee City Cemetery, Wenatchee, WA. Arrangements by Telford's Chapel of the Valley, East Wenatchee.

“ Bud was in the Army and served in the Korean War. He was a lifetime member of Disabled American Veterans Association. He was also a member of the NRA. He loved working in the outdoors. He enjoyed fishing and camping. After retiring from the US Forest Service, he became actively involved with photography and painting. He had entered many of his works in state and local fairs. He won numerous ribbons. He shared his interest in painting with his wife, Edna. She loved to paint as well.

Bud was my father-in-law. I only knew him for 9 short yrs. Our relationship was mostly over the phone due to his son, Bill, and I living in Michigan. We found we had many things in common and were able to share a good conversation. When visiting WA, he made sure I saw the beautiful areas around his home, since I had never been out west and in the mountains before. He was a wonderful, loving and caring man. I thank the Lord that he raised such a wonderful, loving and caring son like him, whom I get to share my life with. He loved and cared for his late wife, Edna, who passed away 11 yrs. ago. She had ALS (Lou Gehrig's Disease) which took her away from her dear family.

May God keep you in his loving arms, Bud.

Love, Katherine Dunn (Your daughter-in-law)
