

Kathryn Springer

December 5, 1949 - May 3, 2025

Kathryn Lee Springer was born on December 5, 1949. She passed away peacefully on May 3, 2025, at home with husband, Robert "Bobby" Springer, at her side. Kathy was a lifelong resident of Peshastin, WA, and a longtime Peshastin business owner of Bob-Kat Bookkeeping Services, serving a wide variety of local business owners. Kathy worked and volunteered in a variety of ways within the Peshastin community, most memorable was heading up the Peshastin Library Annual Ice Cream Social for many years.

Kathy was a quilter, lifelong hiker, cross-country skier, and fabulous gardener, like her Mom and Dad, Gertrude and Melvin Snyder. She was a reader like her sister, Carol (Snyder) Valentine, and had a keen, dry sense of humor like her brother, Dale Snyder. Kathy was always up for an adventure, her favorite hike was Poe Mountain in the fall. Kathy and Robert introduced their nieces and nephews to the local mountain roads and hiking adventures. She was always a good listener, full of common sense and wisdom.

Lo, I am with you always, even unto the end of the world.

A gathering for family and friends will be held on July 12, 2025, at 7:00 PM, at the Flag Pole, Veterans Wall, Peshastin Cemetery.

Arrangements by Chapel of the Valley, East Wenatchee, WA.

“ Though Paula and I will not be attending the service on July 12 at the Peshastin Cemetery commemorating Kathy, our prayers of peace and joy will be offered up to our Father God for Robert, family and friends. Peace because Kathy's soul is with the Father and joy because suffering has ended and all can be joyful over life's experiences with Kathy. Because of distances, we could not personally interact with her except on rare occasions. However, following Kathy and Robert's adventures on Facebook, it is evident that she had a special relationship with nature which brought joy to herself and to those around her. In honor of Kathy and her avid interest in nature, we have planted trees. Blessings to all,
Gary & Paula Springer

“ Kathy was only 6 years old when ,her sister, Carol had me. She was to say the least not thrilled to no longer be the baby of the family! Growing up Kathy was my super cool aunt. I remember sitting in her childhood bedroom listening to "Beatles" records and watching her put on makeup to go out with friends. Very exciting to a grade school girl.

I have several quilts and quilted wall hangings that she made through the years. All completely by hand.....beautiful work. I will treasure them always and remember our friendship through the years fondly. Always the fun , cool aunt to me, my sisters and cousins.

Love you always,
Tammy

“ My special memories of Aunt Kathy is that she was always so fun to hang out with as a kid and then to grow up and be a true adult friend was very special. My best childhood memory was an October Birthday when Kathy and Robert made me an elaborate Gingerbread House. As the youngest of the nieces and nephews it wasn't until I was older that I joined Kathy for hiking trips, I was so lucky to spend a precious couple years hiking regularly throughout the North Cascades, we shared hikes through the Poe Mountain, Minotaur Lake, Colchuck Lake and many more. I was so lucky to spend 3 days hiking the Enchantments with Kathy, Tracy and Ian Adams without whose company I would never have attempted this. Kathy I love you so.
