

Keith Allen Magee

March 4, 1919 - October 1, 2016

Keith Allen Magee passed away Saturday, October 1, 2016, at his home in Wenatchee, WA, at the age of 97. Keith was happiest when those around him were enjoying themselves. His honest nature, infectious laugh, never-ending jokes, and razor-sharp wit will be missed by all.

Keith was raised during the Great Depression, in large part by his Aunt Pearl. He graduated from the Seventh-Day Adventist Academy and started logging in

Oregon until the start of World War II. Keith joined the U.S. Navy and served as a Seaman First Class in the Vancouver Naval Shipyards, followed by heavy iron work in Portland, OR. While enlisted, Keith married a childhood friend, Mary Ann, and they bore a son, Ron, and daughter, Cherie. Keith and Mary Ann

went their separate ways, and Keith met and married Marilyn, his surviving wife of 63 years.

In the early 50's, Keith started a wholesale food and meat business, Magees Meat & Specialties, delivering to stores, restaurants, hotels, and schools between Portland, Mt. Hood, and The Dalles, OR. Business was good, but he decided to relocate to Wenatchee, WA, in the early 60's, to follow his love of flying, and "Magee Aviation" was born. Keith made many friends over the

years

through his business enterprises at what is now Pangborn Field in East Wenatchee, WA. Keith retired in the late 1980's, and he and Marilyn split their time between Sun City West, AZ, and their Entiat River cabin. Eventually they settled full time in Wenatchee.

Keith was preceded in death by sons: Joey and David; and daughter, Cherie. Keith is survived by his wife, Marilyn; son, Ron; five grandchildren; numerous great-grandchildren; and great-great-grandchildren.

One could go on for hours talking about Keith and how much he was adored.

It

boils down to four words. "He Made A Difference."

A Funeral Service will be held at Telford's Chapel of the Valley, East Wenatchee, WA, on Monday, October 10, 2016, at 10:30 a.m. Concluding services

and interment will follow at Wenatchee City Cemetery. The casket will remain closed at all times. Memorial donations may be made to a charity of your choice.
