

## Kendall Scott Houser

December 11, 1928 - October 5, 2014

Kendall Scott Houser

December 11, 1928 - October 5, 2014

Fisherman, Business Owner, Loving Husband, Dad, Ken passed away peacefully at Bonaventure Senior Living of East Wenatchee. He was a skilled fisherman winning several fly fishing contests in California and captain of his own commercial fishing boat. He would fish the coast of Canada to Mexico for albacore tuna during the summers. He also was a skilled craftsman and builder of his 80 foot fishing vessel, named "The Lusty" and owner of apartment complexes and a gas station. He retired from commercial fishing in the late seventies and moved to East Wenatchee, WA from Ventura, CA with his wife, Ramona. Ken and his wife owned and managed the Columbia Village and Arms Apartments of East Wenatchee for over twenty years. He continued his passion for fishing and traveled to Alaska numerous times on salmon fishing trips. He was a kind and thoughtful man with a sense of humor and quick wit. Ken was always willing to lend a hand. There were times when he would be seen driving his snow plow around the streets of East Wenatchee and plowing his neighbors driveways. He touched the souls of anyone he would meet and left a lasting impression.

A Funeral Service will be held 10:30 AM Friday, October 10th at Telford's Chapel of the Valley in East Wenatchee.

Arrangements are by Telford's Chapel of the Valley, East Wenatchee, WA

“ *To Ken's family.*

*We were next door neighbors of Ken and Ramona for many years at Mill Bay. They were both super nice and it was always a pleasure to see them at the lake. Ken could tell stories about fishing and Ramona would always finish his story. Our thoughts and prayers are with them both. We will always remember his smile .*
