“ I am so sorry to read of Junior's passing. Let me share a long-ago story about Junior. He and I attended Lincoln Elementary School together. In 6th grade, at recess, we would often play baseball. I was not much of a hitter so on the rare occasions when I made contact, I tended to toss my bat in the excitement of running to first base. On one such occasion, Junior was catching and the bat struck him in the forehead. He was taken to ER and required stitches. I fely horrible. Junior, however, could not have been nicer or more understanding. Thereafter, he went over to Eastmont and I to Pioneer and WHS and we rarely saw each other. I remember him fondly. John Dillow
