“ Kerry was a great friend. We had so much fun hanging out together. She was also one of my favorite photo subjects, I still have pictures of her and the crowd we ran around with. She always had a special place in my heart.

“ I grew up in Leavenwoth (East Leavenworth Rd) and my sister (also named Kerri) and I would play with Kerry when she would come stay with her grandma. I always loved it when she came to visit. We had so much fun playing on this huge trailer that we used like a teeter totter. We always ended up with many slivers in our hands and feet. We would play all day together.

I just recently moved back to the area and am saddened by the news of her passing. My thoughts and prayers are with all of you.
