“ I am truly sorry to hear that we've lost Kevan at an early age. I will have great memories of us growing up together and graduating high school. My thoughts and prayers are with the family now.

“ It's been a long time since I've really spoken to either of you but wow....this caught me offguard. So sorry. You have many friends and family closeby....never forget. Thinking of all of you during this time and in the future. Kevan...you will definitely be missed!
