March 26, 1961 - March 28, 2014

Kevin Tyler was born in Wenatchee, Washington on March 26th, 1961. He spent most of his early years in the Entiat valley, attending school in Entiat. He later graduated from Wenatchee High School.

Kevin enjoyed working at many different jobs in the Wenatchee valley. He later moved to Portland, OR and worked in the television and motion picture industry as a production coordinator. He was site coordinator on the movie "Surviving the Game", where some of the filming was done in Wenatchee and up the Entiat valley.

He returned to Wenatchee in 1993. Kevin always had a passion for singing, and so he started a karaoke show at the Branding Iron Restaurant and Lounge in Entiat. He performed four nights a week and loved it very much. Kevin was also very good with numbers and was the "tax man" for many people. The last two years Kevin had been employed at Catholic Family Crisis Services, formerly known as Recovery Innovations. He was very good at helping people in crisis situations find the help they needed.

Kevin will always be known for having a big heart when it came to his dogs. He had many lovable pets over the years and he was devoted to them. His dogs Toby, and Dakota were the light of his life.

Kevin passed away on March 28th, 2014 after a sudden illness. He is survived by his mother, Betty Tyler of Entiat. His aunt and uncle, Ed and Mary Sand of Wenatchee. His cousins, Brian(Diane) Sand, Mandy(Greg) Bush, all of Wenatchee. Penny Buffington of Kennewick, and Cary(Teri) Sand of London, England. He was preceded in death by his Grandmother, Stella Bryan.
