

Kolton Simmons

August 26, 2007 - February 9, 2025

With broken hearts, we share the passing of Kolton Simmons, whose adventurous spirit and love for life were as boundless as the open road. Though his time with us was far too short, he lived every moment to the fullest—chasing adventure, turning wrenches, and sharing stories with the people he loved.

Born on August 26, 2007, Kolton had a passion for the thrill of the unknown, whether it was exploring back roads in his Jeep, tackling a new project under the hood, riding his snowmobile or motorcycle, or swapping car stories with his buddies. He had a knack for fixing things—engines, friendships, and everything in between. His energy was contagious, his laughter unmistakable, and his heart as big as the trails he loved to conquer.

Kolton never met a challenge he didn't embrace or a stranger he couldn't turn into a friend. He found joy in the simple things: a well-tuned engine, the roar of tires on gravel, and the camaraderie of those who shared his passions. Whether it was lending a hand in the garage, or planning the next great adventure, he made every moment count.

Though he is gone far too soon, his fearless spirit and love for life will never fade. He is survived by his mother Leslie (Ryan) Robinson, his father Jake (Fawn) Simmons, sister Anika Simmons, brother Gunnar Simmons, Stepsister

Austyn Robinson, Stepbrother Peyton Robinson, Maternal Grandparents Tom and Carol Hardie, Paternal Grandparents Kevin and Donna Simmons as well as many aunts, uncles, cousins, great-grandparents, great aunts, and great uncles, who will forever carry his memory in their hearts.

In lieu of flowers, the family asks that donations be made to Chelan-Douglas Community Action or Catholic Charities.

Keep the engine running and the trails calling, Kolton. We'll see you down the road.

I did not know Colton but his grandma is my cousin. My deepest sympathy to all his family. This is a pain that is indescribable for a parent. I know the tears you are crying. I have been there too. May the grace of The Lord Jesus be with you all.

“ Kolton was a wonderful person who touched a lot of people. Getting to know Kolton was a privilege and he will always hold a special spot in my heart. When Kolton decided to complete something, he did so with 100% effort. He didn't look for short cuts or the quickest path, instead he gave it his all. It is hard to find young people willing to work hard and push themselves, Kolton was the exception. Like so many others I was lucky to have gotten to know Kolton and he will be missed by many.
