“ Dearest Sue and family,

Just a note to say how sorry we are that you have lost Larry. Even though we haven't seen much of you in the past few years, we have fond memories of boating and Coast Guard. He was truly a wonderful warm and friendly guy. Our cousin Jim Lyon had a great tale to tell of a men's fishing group a few years ago on your boat and a fabulous time in Friday Harbor. Larry sure put up a real fight all these years battling that terrible disease and it just doesn't seem fair to take down such a great person.

Take care and we hope time will heal,

Love, Lue & Howard Syria
