

## Linda Frazier

July 19, 1950 - May 3, 2026

Linda Frazier, beloved wife, mother, grandmother, great-grandmother, and friend, passed away peacefully on May 3, 2026, at the age of 75.

Linda was born on July 19, 1950, and grew up in Twisp, Washington. She later made her home in East Wenatchee, where she raised her family and built a life centered around love and caring for others.

In 1973, Linda met the love of her life, Dwight. Together, they shared a lifetime of memories, raising four children, seven grandchildren, and three great-grandchildren. Their home was always open, and many others were lovingly welcomed and considered family.

Over the years, Linda wore many hats — waitress, secretary, veterinary technician, and daycare owner and caregiver, among them — but the title she treasured most was Grandma. Her family was her greatest joy, and she never missed an event or holiday. She showed up for the people she loved, always offering encouragement, support, and unconditional love.

Linda was happiest in life's simple moments. She didn't care for extravagant vacations or designer things. Instead, she loved her morning coffee, cookies, shopping, yard sales, finding hidden treasures, going on drives, and spending time with the people she loved most. She also had a deep love for animals,

especially stray dogs and wild baby birds, never hesitating to care for anything that needed comfort or kindness.

Linda will be remembered for her strength, kindness, and the unconditional love she gave so freely. Her presence will be deeply missed and forever cherished by all who knew and loved her.

A celebration of Linda's life will be held on Sunday, June 28th, 1:00-3:00 PM, at the Rocky Reach Picnic Area, where family and friends are invited to gather, share memories, and honor the beautiful life she lived.

Arrangements by Chapel of the Valley, East Wenatchee.

“ Oh my goodness...I have so many memories with Linda over the years. I met her in the early 1970's, and we quickly became kindred spirits. I knew her girls well in their growing years. We worked together at CC Auditors office. We were family for a period of time... and we were friends for many more. I have not seen Linda for a number of years, 8, I think, on one of my trips back to Washington from North Carolina.

*I loved Linda...no one I ever knew that helped more than Linda. Anyone...*

*I pray comfort and peace for Dwight and the kids. Linda will be missed, no doubt.*
