

Lori L. Mackenzie

March 19, 1960 - June 15, 2010

Lori Lynn MacKenzie was born March 19th, 1960 in Wenatchee WA to Robert "Buck" MacKenzie and Barbara MacKenzie. Lori graduated from Eastmont High School in 1978. In her Jr. and Sr. year during the summer months she worked in agriculture, following graduation she worked retail, then onto banking. After having two children she decided to start a Day Care so she could be at home with them. Lori was always active in the community, volunteering, working at the food bank. She was loved by all and the type of person to do anything for anyone at anytime. She would give the shirt off her back to help anyone in need. Whoever life she stepped into she impacted, bringing smiles and laughter all around. Everyone's best friend and mother, a genuinely warm, loving person, with a free spirit. Lori had a lot of passion for her hobbies which included beading, making jewelry, gardening, nature, outdoor activities, the sun, and collecting heart-shaped rocks. Lori Lynn MacKenzie passed away June 15th, 2010. She will always be remembered and greatly missed by her friends and family. She is survived by daughters, Natasha Thwing and Vanessa Monaco, father, Robert "Buck" MacKenzie, brother, Scott MacKenzie, step-mother, Kaye MacKenzie and significant other, Tim Brown.

A Celebration of Lori's Life will be held Sunday June 27th, 2010 at The Cellar Cafe from 1:00pm-3:00pm.

“ This note is for all who knew Lori but especially for Buck and Scott since I grew up with them. It's very hard to say in words how sad I am for Lori's death. I don't know what it is like to lose a son or daughter, and I hope to never know, but I do know how hard it is to lose a sibling...it's hard and it hurts. I've seen Lori only a few times over the past 30 years but each time was memorable. Lori had that affect on people. I remember the zany things she did around the house while Scott and I were playing. As I wrote on Facebook this week, she was a hoot! I'll miss the chance to run into her again but I'll always cherish the memories I have of her.

With love,

Tim

“ Lori was full of life and laughter! When I think of her I see a big smile! I moved to East Wenatchee in my 10th year of high school and not knowing anyone it was hard but Lori opened her arms and heart to me and gave me such a welcome and made me feel at ease! I will always remember her smile and her sense of style and flare for color!! You will be missed Lori but I know you are dancing with Angels and showing them your sense of happiness
