

Lucy Donnelly

October 28, 1953 - March 28, 2022

Lucille "Lucy" Ann Donnelly passed away unexpectedly on March 28, 2022, at the age of 68. Lucy was born in Seattle, Washington to Floretta and Theodore Schmidt. She grew up in Seattle alongside her five siblings (Linda, Lori, Leslie, Louise and Ted) and graduated from Rainier Beach High School in 1971.

Lucy married her high school sweetheart, Jack Donnelly, in July 1972. They made their home in Kent, Washington. Lucy wanted nothing more than to be a mother. She always dreamt of having a daughter, in which they were blessed with in 1976, Trisha Janet. In 1978, Jack and Lucy welcomed a son, Mark Nicholas. Lucy loved being a homemaker and cherished every minute of that time. It brought her great joy to raise her children. She loved spending her time at Trisha's dance recitals, being Blue Bird leader, watching Mark's many years of baseball and being the best PTA "room mom".

In 1990 Lucy entered the workforce. She quickly moved up the ranks of the grocery direct sales and marketing industry. Her extraordinary outgoing and positive personality took her far in her career. After a successful career, she retired in 2018, and relocated to East Wenatchee, Washington.

Lucy and Jack found great joy in their retirement. Lucy enjoyed visiting local wineries, traveling, going for walks, hosting friends new and old for social

gatherings, golfing and most recently; took up the joy of kayaking

Lucy was preceded in death by infant siblings Lorna and Lyle; and her father, Theodore "Ted" Schmidt. She is survived by her mother, Floretta "Flo" Schmidt; husband and best friend, Jack; daughter Trisha (Daniel) Wise; son Mark (Deborah) Donnelly; her greatest joy, grandson Caden Joseph Wise: and granddog Breeze Donnelly. She is also survived by her siblings, extended family and numerous friends (many lifelong) whom she cherished.

Lucy was a bright light, there was rarely a person she did not like, and she never missed a social gathering. Lucy's life will be celebrated, just the way she would want, Saturday evening May 14th, in East Wenatchee. Please contact the family for details.

In honor of Lucy, please continue to live each day, just as she did: Happy and Loving.

There will be a Celebration of Life, Saturday Evening May 14th. Please contact Trisha at t.donnelly.wise@gmail.com for more information.

“*Lucy and Jack were neighbors in Bonney Lake and we missed them when they moved to East Wenatchee. One of our favorite memories was attending their annual Fourth of July party, which included great company, food, and a competitive cornhole game. Lucy's retirement party at her sister's house was great fun as well, and we thoroughly enjoyed Lucy and Jack's family.*

The best things about Lucy were her positive spirit, sense of humor, gift with decorating home and garden, and no-nonsense attitude about life. She meant what she said but always spoke with tact and love. Her family was a complete joy for her and although she missed the close proximity to her family and friends, Lucy liked living closer to her grandson, daughter and son-in-law. We texted a few days before Lucy passed and she was so excited about her life in East Wenatchee as she made friends in the neighborhood and was enjoying new adventures.

Darrell and I will miss Lucy's exuberance and the joy that filled her soul.

Our hearts go out to Jack, Mark, Trisha and Caden, and all of the family who she loved so much.

“ I had the good fortune to meet Lucy and Jack on several trips back to the northwest. My best friends Kristie and Ted Schmidt introduced me. Last summer we had an awesome wine tour thru Prosser, even signing up for a wine club thru Desert Wind. Condolences to the entire extended family. I feel blessed to have known her.
