

## Lynn Tessman

October 2, 1978 - December 21, 2024

On December 21, 2024, Lynn Tessman passed away after fighting Stage IV cancer for years. She fought hard and stayed positive thru all the chemo treatments and all the pain she had to endure. Her treatment team worked very hard to make sure she was getting whatever she need and kept her positive.

Lynn was an amazing and loving wife of 16 years. She was always willing to help others and a friend to whoever she talked to.

She was born Lynn Ann Behrens on October 2, 1978, in Hinsdale, IL. She died on December 21, 2025, in Spokane, WA.

Lynn is survived by her husband, Derrick Tessman, and their tuxedo cat, Rubicon; adopted parents, Carole and David Mattoon, brothers: Michael and Kevin Behrens; and extended family, Krystl Mattoon and Brandon Tessman and friends, and all people that got to get to know her.

She will be well missed by not forgotten.

Lynn's Memorial Service will be held Friday, April 25, 2025, at 1:00 PM, at Chapel of the Valley, 378 Eastmont Ave, East Wenatchee, WA.

*She was my daughter and my friend. I remember when we first met and the beginning of a life of love between Derrick and Lynn. She will be very much missed but never ever forgotten. Her life was lived with kindness and love for everyone. She changed lives with her love. I will miss her deeply. Mom*

“ It’s difficult staying in the know and updated when you move from place to place and the only thing that keeps you connected is social media. Lynn was such a nice person. I enjoyed my short time working with her. She definitely taught me about kindness and the importance of it. That’s what I’ll always remember about her. Condolences to her family and especially her husband and kitty.
