“ Words cannot express the sadness I feel for all of the family. Tommie and I go way back and I spent a lot of time at their house while growing up. Margie always made me feel welcome and part of the family. Tommie and I shared cousins ("Little Jean" Owens) so everyone felt we were family. I recently lost my wife, (Liz) so I know what Tommie, Rose, and Reggie are going through. Your memories of your mother will remain in your heart forever. Jimmy
