“ We were neighbors on Castlerock in the mid 1970s. We had so much fun! Our two sons were the same age as Don and Doug. We had happy hour several times a month...our boys knew dinner would be late. We followed the Edelweiss dance group from Washington Elementary traveling via Huber motor home. Marigene was the quiet presence behind the operation. She had a lovely smile and happy disposition. We have stayed in touch over these years and she will be missed. Linda and John Berge
