

Marilyn Thysell

April 11, 1944 - October 13, 2024

Marilyn was born on April 11, 1944, in Odessa, WA, to Harold Ramm & Vivian Brisky Ramm. She graduated from Cashmere schools. After graduation, she attended a Business school. She worked at Deaconess Hospital and moved on to work at Chelan County Public Utility (Hydro Dam). She met her husband of 51 years, John, when she visited him at the local printing shop where he worked.

Her hobbies were sewing, crocheting, learning quilting, and genealogy, which were her biggest passions—working on 17 genealogies of both her and John's families. Gardening consumed her time until her health declined.

She was preceded in death by her baby brother, Richard Eugene, and her parents, Harold and Vivian Ramm. John & Marilyn had no children. Cousins, Larry, Wayne & Ken Brisky, and Fern Lentz and her beloved cats.

She is survived by cousins, Gene, Jeff Stone, Deidre Lentz, and Roger Ramm; friends Sandra Barnett, Carole Jennings, Dick Langum. Now onto my next journey...
