Marje and her sister Elinor traveled with their father during summer vacations selling car parts. His sales route covered multiple states including Oregon and Washington. This was the beginning of Marje's lifelong love of travel.

“ *Marje was one of the greatest generation She was a trailblazer for women in business as owner and manager of a very popular motel in Soap Lake, Washington. She was very fair and was a valuable mentor in many aspects of life. She was a very ethical person and a very welcoming hostess to the families who came every year to vacation in the area, remembering the names of the children and parents and always ready with a smile. She was an energizing member of the Chamber of Commerce and dedicated many hours to refurbishing the beloved merry go round at the beach. Marje was a formidable player of pinochle and I remember many happy evenings spent around the table with her family and friends as she counted points. Marje made a huge impact on my life and I will always be grateful that she was in my life. Be at peace, Marje.*
