“ I am sorry for your loss. I lost my mom at 19 and still miss her but feel we are alive beyond this realm. I was nudged to send this to you. Don't care if you believe the way I do but just know you are not alone and loved. May you find Peace.

“ So sad to hear for Marlene's passing. To the Sinko family, my thoughts and prayers are with you and your family. Your mom was kind, caring, and displayed class at all times. She was a mentor, friend, and along with Bill, they were tremendous supporters the Lady Knights basketball. I was so sad to hear of her passing, but know that she will be cherished in the hearts of many. Oh how I enjoyed working with your mother.
