“ Dear Family & friends, I love you all and would like to say thank you for your phone calls, flowers, prayers, donations,ect... And to share. Everyday growing up at nap time Mom would hold me in her lap and read me a story. My favorite book was Bambi & the only one I wanted her to read. So being the kind of mother she was, she read it everyday. Only telling me how sick she was of it and laughing after I was grown. Love to all ,Jennie
