“ Oh my...what a loss. We also worked at the bank together n she was always so happy n dressed so well. She n Thelma were good buddies. We never saw her in later years without Dean. They were a great pair. Loved her smiles n great choice of clothes. A well put together girl and a good, happy friend.

“ I have so many memories of Joyce & how she worked with my Mom in banking way back when. We always enjoyed talking with her & Dean whenever we ran into them, usually at The Cottage Inn. She had many stories to tell me about my Mom & how I resembled her which meant the world to me. We will miss her smiles & laughter. We pray all the memories the family made with her over the years help them thru the days ahead! God bless.

“ My sympathies to the family of Joyce. I worked with her for many years at the bank and always loved talking to her and hearing her laugh. She made my day. She always dressed so nicely and her hair was always done just right. I smile every time I think of her. My thoughts and prayers are with you all. Love, Jodie (Heinz)
