“ *Mary was such a delight! That’s how my Mom, Nita Nolen, described Mary, and once again Mom was right. We enjoyed knowing and spending time with Mary- always cheerful, always looking her best and always just so much fun!*

Mary is with the Angels, her family and all her friends now...furry ones and otherwise, too. We miss you Mary- Our love, always- Nita, Peter and April

“ *Mary and I and my family shared many adventures together from skiing, to back packing to square dancing and holiday dinners together. We were friends for over 50 years. She helped me enter the work world when I needed to go back to work and was generous with her time helping High School students obtain grants to go college.*

“ Our family bonded with Mary when she and Gordon moved to our neighborhood in East Wenatchee back in the 60s. Through the years since she is in the midst of memories and good times that will not be forgotten. A kind, gracious and beautiful person for the lifetime I had the pleasure of knowing her. Our family certainly grieves her passing. Judy (Owyen) Davis-Bradford.

“ Mary was a great friend. In the 15 years we were friends, we walked our dogs, shared meals & enjoyed wine tasting. She is greatly missed.
