

Mary Sandra Sterling

April 29, 1949 - January 11, 2018

Sandy, 68, passed away at her home on Thursday, January 11, 2017. The daughter of Richard and Glenna Fox, she was born April 29, 1949, in Wenatchee, WA. She attended schools in Peshastin, WA, and Wenatchee, graduating from Wenatchee High School in 1967. She was a graduate of the Trend Business College, in accounting, in 1977. Raising her daughter as a single mom, she often worked two jobs for a majority of her life. Her most recent work, before retiring in 2016, was working for the Chelan County District Court, Inventory Control Specialist at Dovex Fruit Company, and as a cage cashier at local casinos. Sandy was a funny, witty, and loving person. She made friends everywhere she went, often having strangers laughing in the grocery store line, asking to sit at her table in restaurants, and having servers and retail staffs remember her by name. Her son-in-law, Michael, recounted that every time Sandy would see one of her grandchildren or her daughter, her face would just light up and she would be so animated in her happiness to see them. She loved road trips around the state, often traveling with Angi and Michael. She was quick to tell her family that she loved them very often. Upon learning of her death, her close friends and the "new" friends she had made, there was shock with a quick, "I

loved her". While material possessions weren't that important to her, she loved "free stuff", but her favorite thing was affection and being loved. She was loved.

She is survived by her husband, Keith; daughter, Angi (Michael) Dooley of East

Wenatchee, WA; granddaughter, Brianna (Phillip) Nead of Fort Lewis, WA; grandson, Brenden (Nicole) Dooley of Wenatchee, WA; and the light of her life,

great-grandson, Jaden Nead of Fort Lewis, WA. She was preceded in death by her

parents; sister, Cynthia Winn; and two granddaughters: Brittany and Tabitha.

No Services will be held. Arrangements are assisted by Chapel of the Valley, Wenatchee, WA
