“ *My grandfather. Most sweetest, caring soul. This man was one of the best people I've ever met. Always cracking jokes, always telling stories. He always had something to talk about. He was so smart. He had an answer to anything and everything. Papa loved the sound of the coffee machine in the morning. He let me know that every single day, so I know for sure. It was one of his favorites, haha. I miss him so much. He was a huge part of my life and always will be. I will always be thankful and grateful for him. I am so blessed to be his Grandbaby. He was proud too. He let everyone know. Not just me but the other Grandbabies too, you loved them all so deeply. Papa always sang "It's Friday," a song from the 70s, I believe. Every single Friday without fail. We all love you and miss you grandfather...so much. I could go on and on...but I'll stop here.*

Your grandbaby, Erica
