“ Dan and I were so shocked and saddened by Mike's passing. We got to know Mike while he was driving for trailways and stopped at our cafe. He was friendly and always appreciated his free cup of coffee. What happened should not have occurred and Mike was robbed of his retirement after years of hard work. We would like to extend our condolences to his family and co workers. Like many of the other drivers who have past away, we are left with happier times to look back on with smiles and good memories. Bless you Mike, you will be missed by many. Dan and Carol Straight
