“ He was the second closest in age to me of my first cousins (his sister was the closest). We had so much fun growing up. Mike always knew how to make our visits to East Wenatchee fun and adventurous! Our dads were brothers and our childhoods were filled with lots of visits and lots of love. Mike, thank you for your service to our country. Love, your cousin, Judy Meloy

“ *Bubba, was loved by all who met him. He loved the water. Always made a bad time good. When you worked with him he had a way of making a bad day good. Loved the outdoors and fishing. He was the only man who could make our father sit still long enough to fish. He was my best friend as well as my brother. He will be missed but he wil always be with me.*
