“ Mike was an incredible creative mind. He used his poetry and his comic book to portray injustices and to create the better world that he fought for. Mike, and his voice for justice, will be missed by his writing group.

“ *Mike was one of my best friends in high school and we stayed close for a good decade afterwards. Myself and others who loved him, can still hear his voice, his laughter and remember fondly his sense of humor. I have been trying to find photos of him from that time. Here he with friends Charlie V (passed2004), Carl, Evan, Shawn and Dave.*
