“ I am so sorry to hear about your loss. I wish we all could be together again like the old days. Mom is crushed, she so badly wanted to see your mom. Life has changed for us all in so many ways but above all that the love we shared remains. I can remember all those weekends together as kids, us girls teaming up against little Josh, who I hear is so grown and a daddy...

Life is so precious, what is lived, and what will be lived in time. I sit here in tears knowing that my godmother never had the chance to meet my son. Patrick, who is almost 2 years old. I would have loved to share that experience with a woman who was a huge part of my childhood.

I want you all to know that I miss and love you.
