“ I remember so well the High School days in the 50's. So much fun and so many high jinks we pulled. Working at Thriftway so we would have gas money to cruise the avenue!! Cruised almost every night! Mid in his 1949 Merc and me in my 1950 Merc. Trying to squeeze into XXX Barrel Drive In or Dusty's for a burger. A & W was also on our list nightly. So many memories! Our prayers are with Linda and the family. Rest in peace my dear friend.

“ Have always remembered those days of our youth and our open hand salute when cruisin' the ave, working hard at Thriftway and sharing tall tales at a "social" get together. May peace and tranquility surround your wife and children.
