“ *Donald and Family*  
So very sorry to read about Nancy. She was a great friend and I know that you all will miss her so much. We had great fun yard saleing together. She was always there to listen to me and she helped me thru many hard times. She always wanted me to write a book, and when something eles would happen she would tease me about starting a new chapter in my book. What a great laughs we had over that.  
My prayers and thoughts are with you at this time. Rember all the good times I sure will.  
God bless you and your family.
