

Norman T. Rose

February 4, 1933 - April 1, 2022

Norman T. Rose, 89, of Leavenworth, WA, passed into the arms of his Lord and Savior on April 1, 2022 surrounded by his loving family. He was born February 4 in Chehalis Washington to Terrence V Rose and Lorena V (Cornell) Rose. The family resided in PeEll Washington for many years.

Norm worked hard all through school, enjoyed baseball, basketball and after he graduated high school enlisted in the USAF where he served his country with honor.

During this time he met the love of his life Mary and were married in December of 1955.

Norm continued his education while providing for his now growing family of 5. Himself, Mary, two sons and a daughter.

He received his AA in Criminal Justice and worked in various forms of law enforcement, active in search and rescue for years. He was a successful business owner for many years. He enjoyed

the outdoors, camping, fishing, and working in the garden.

He had a love for all animals of all kinds. He could never resist saying hello to a dog or assist a bird in need. His compassion and love for people was inspiring. He worked in the ministry and counseling, trained for chaplaincy in order to reach out to others in need. He counseled with fellow amputees and offered encouragement. His love for the Lord inspired him to help others in many ways.

He always had a twinkle in his eye, and a mischievous curve in his smile. There was always a perfectly timed quip along with that twinkle. He will be remembered and missed by many.

Memorial Services for Norman Rose will be held on April 24th, 2PM at Plain Community Church; 12565 Chapel Dr, Leavenworth, WA.

We would like to thank the staff at Cascade Medical Center and Confluence Health Oncology Department, Hospice and the many others involved in Norm's care for their patience and support to our family during this time.

“*Mary, you have my heartfelt condolences on the death of your beloved husband. You were given so many years of marriage and whenever I was with you, your love for each other was so clear! My husband, Russ Music, was Norm's nephew and when they were together they played off each other to see who could make the best joke or quip! I always enjoyed the stories Norm told. He participated in our Wedding exactly 53 years ago today - 5/10/1969. My dear husband unexpectedly died on March 23rd and I know their spirits and their souls are together and having a grand time! They both are missed beyond belief and deeply loved. Mary, we will get through this time of grief when we are ready. There's no timetable for grieving. It will be last as long as it lasts. You're surrounded with love and support as am I and that is a huge blessing. Your dear Norm and my sweet Russ are healed and waiting for us when our time comes and only God knows when that will be. I send my love and prayers for peace to you and your wonderful children. Blessings.*

“*Mary, what an amazing team you & Norm were. You both welcomed us warmly when we moved to Plain & we enjoyed sharing stories over the years. Your smiles & positive attitude inspired many. When Mark was at Cascade Medical, he was grateful Norm volunteered as Chaplain. You were always ready to serve any way you could. We are deeply sorry to miss Norm's celebration of life but our prayers & hearts are with you.*
