“ I can not begin to say how awesome my grandma was. She was the funnest sweetest most caring lady if it hadnt been for the sweet lectures my grandma use to give me i would not be where I am today and i would not have the husband and family i have. My grandma always had the most faith and belief in me. I will think about and miss her everyday and i will always know she is up in heaven looking down on me. I LOVE YOU GRANDMA
