

Patricia A. Donaghy

November 25, 1924 - December 3, 2016

Pat Donaghy

East Wenatchee, WA

Pat's 12-year battle with Alzheimer disease ended December 3, 2016, with her loving family by her side. She was born to Lawrence and Marjorie McCann on November 23, 1924, and was raised with her three siblings: Lawrence, Jr., Gen, and Dodi in Idaho.

Her nursing studies took her to Lewiston, ID, where she met the love of her life, Jack Luna. They were married and moved to Portland, OR, where Pat worked

while Jack attended dental school. Upon his graduation, they moved to Wenatchee

to start his dental practice, and soon after, Gary and Jacque were born.

Jack preceded Pat in death in 1968. Pat met and married Frank Donaghy in 1972.

Along with him came his children: Colleen, John, Ed and Tom. Frank preceded

her in death in 2012. Pat is survived by 13 grandchildren and six great-grandchildren.

Mom was a loving caring wife, mother, nana, and friend. We will remember her

love of golf, entertaining and a good game of cards. She was always up for a shopping trip to Seattle. Her style was well known.

The family would like to give a special thank you to Bobbi and Jayson Hills of Dore Haven for their loving care of Mom. We are forever grateful.

Mom, we have been blessed to have you as our mom. We love you and will miss

you. Until we meet again.

In lieu of flowers, please make any donations to the Alzheimer Association.

“ Another one of the people who influenced my life has passed. "Sporty" was a constant reminder in my youth of just how important it is to have a loving friend/mother to always be there. I can still see, and will always remember her by her smile, and the loving way she would look at me and say, "oh, Leonard". God bless you Pat. You were a strong part of my life. My life is better because you were a part of it. My condolences to all the family. Much love. Lenny
