September 23, 1941 - January 29, 2024

When we picture Mom, we see her in the kitchen, sharing her love through delicious scratch meals. Her "easy" rolls were always accompanied by laughter and the memory of Dad. And her grandkids remember baking cookies with her at every visit. Mom had a loyal, fierce love for her kids and grandkids - how lucky to be one of "her people".

It has been a long good-bye, Mom. We miss you. You will always be the loved matriarch of "your people".

One of my favorite memories of John and Pat was laughing until we snorted at Troy and Domini's wedding reception in California in 1992. Steve and I had flown down from Alaska and Pat and Johnny had made their way from Washington. We ended up in a back corner table, swapping jokes, and catching up with our lives. I did not know it would be the last time I saw John, but I remember telling Sophie Tucker jokes and watching both Pat and John laugh until tears streamed down their faces. Much love to all of your family and to the amazing memories they haloed create.
