

Patrick Goldy

December 25, 2021

Patrick Goldy, 44, of Entiat, died Saturday, Dec. 25, 2021. Arrangements by Chapel of the Valley, East Wenatchee.

The thing that survives is love.

It is an energy as powerful
and lasting as the sun, moving
through the universe unbound
from Earthly imaginings.

The essence of life is love.

It is what we are born of and
what is left behind when we go.

Love remains.
