

## Peggy Whitmore

September 19, 1939 - June 7, 2024

Peggy Wynette Whitmore passed away peacefully on June 7, 2024, at the age of 84.

Peggy was born on September 19, 1939, in Entiat, Washington, to Albert and Mavis Long. Growing up in the Entiat Valley, Peggy developed a deep love for her community, which she carried with her throughout her life.

On November 24, 1961, Peggy married the love of her life, Gary Whitmore. Together, they built a wonderful tight-knit family, raising four children who in turn blessed them with 11 grandchildren: Greg Whitmore (Karen) - children Cory, Heather, Ryan; Marty Whitmore (Lisa) - children Ash, Riley; Garci Duncan (Bruce) - children Carson, Blake, Drew; Wendi Crutcher (Jeff) - children Case, Colby, Landon. Peggy's grandchildren were the light of her life and she cherished every moment spent with them. Peggy took immense pride in their accomplishments and joy and could often be found in the bleachers cheering for her grandchildren and their teammates. Peggy was a beloved school teacher in the Entiat School District and was involved in several organizations over the years.

She is preceded in death by her parents, Albert and Mavis Long, husband Gary Whitmore, and older brother Wayne Long. She is survived by her 4 children, 11 grandchildren, a brother, Rick

and 3 sisters, Judy, Leanne, Debbie and a very wide circle of family and friends who cherished her warmth, kindness, and unwavering support.

We will celebrate Peggy's life on September 7, 2024 with a service at Entiat High School at 10:00 am followed by a potluck dinner at the residence of Wendi and Jeff Crutcher at noon. In lieu of flowers, the family requests that donations be made in Peggy's memory to the Entiat School District, Entiat Historical Society or Chelan County Fire District #8, all causes close to her heart. Send cards/donations to: Peggy Whitmore Memorial ? Garci Duncan, 10640 Entiat River Road, Entiat, WA 98822

Peggy will be deeply missed by her family and friends. There is so much more to say about her life well-lived, but she said "keep the obituary short or people won't read it!"

“ *I've known Peggy all of my life. She always had a smile on her face or a laugh to share. She was always in the bleachers cheering on the kids of the Entiat Valley. I like to think we all held a place in her heart. I know she did in mine. Kelly Baird Decker*

“ There isn't enough space or time to describe how special Peggy was to everyone, and everyone already knows. She always cared so much about what was going on in our lives (much like I remember grandpa being), and made us feel special when we were around her. My kids felt it too, and our lives were immensely better for having her in them. Now she can go dancing with Gary and have coffee with Amy, Grandpa, and Grandma while we all remember how amazing she truly was. ❤️

Peggy didn't know a stranger. So very kind and genuine to everyone. A loyal public servant and so very involved with our community and school. A very special lady. She will not be forgotten. I will miss the smile she would always greet me with when I enter the gym 🤗 as she was always there first 😊 my world was a better place with her in it. What a legacy she has left to her amazing family.
