Arrangements by Chapel of the Valley, East Wenatchee.

# Tribute Wall

JP

“ Even though I long ago lost touch with Pete and Kathy, the few years they were in my life were monumental. Pete married my college roommate, Kathy. They were part of a group of dormmates who loved playing Pinochle and laughing about life and each other's company. Pete and his Red VW, his infectious smile, and irreverent sense of humor, made for many great memories. My fondest wishes go out to Kathy and their family.
