Bud McAlister was born and raised in Rupert, ID. As a young adult, he moved to Everett, WA, where he met the love of his life, Gay McAlister. They were married for 66 years. While married, he served in the U.S. Army and traveled overseas. They raised three children together and ran a successful glass business for many years. They enjoyed lots of outdoor recreation like river rafting in the summers and snowmobiling in the winters. They hosted many family get togethers at their cabin in Wenatchee, WA. They retired to East Wenatchee, WA, 23 years ago, where they were very active in their church and community. Bud's pride and joy was his beautiful yard and garden. He was well known for his delicious tomatoes. He lived a full and active life and will be greatly missed.
