“ Grandpa, you are missed dearly. Grandma loved you so much- you were everything to her. You are always in our thoughts. I miss the holidays we used share. Spending weekends at your house when I was little made the best memories. I'm glad you got to meet Malcolm. Sad that you will not meet Parker now, but someday you will. Love you Grandpa.

“ Uncle Buck you will be missed so very, very much. I know with all my heart I will get to see you again because of your faith. It was such a blessing for me to see you play a few months ago. You and your guitar so very, very special. You will be loved forever. Aunt Jeannette, Pam, Kim and family. I am so sorry for your loss and I feel your pain. Please know I am with you in heart and that Jesus is close to you at this time. In Christ Amazing Love, Terri Ann Jones
