“ May you rest in peace, you sweet man. You really should have been a Stand Up Comedian. Your quick-witted humor and wit will always be in my memories.  
God Speed, Brother.

“ Randy traveled north to Tonasket often to spend time visiting with his Uncle Darrel!  
They were such special & joyous times for us!  
Darrel & Randy & Kyra & Paula & me!!  
These visits made Darrel's final days, laughing & loving & reliving his youth, so special!  
Thank you, Randy. Rest in Heavenly Peace & Hug My Guys for me!! Love, Aunt Shirley 💜

“ I have so many memories of Randy, my brother-in-law. Family get-togethers and vacations! He was always there! The last few days in the hospital, I gave him a manicure. He was having a rough day, but he did one of the sweetest things. As I held his hand, he brought my hand up to his mouth and kissed my hand. Such a sweet man. He was the love of my sister's life. Gave us two beautiful nephews, Andrew and Matt. I love you, Randy!!! RIP.
