“ So thankful that I got to reconnect with my cousin Ray in the past year or so. I'm just sad we didn't get to spend more time together. What a gentle soul, kind hearted and with a wit and humor that was so refreshing.

My heartfelt condolences to all the family. My prayers for you are for much comfort, peace, and for a natural and honest time of grieving. I so admire the love between all of you and for your precious dad, grandpa, uncle, cousin etc.

I am truly glad Ray is at rest in the arms of Jesus now where he is truly living to the full! See you soon and very soon, my dear cousin.

“ To the family-
I had worked around Ray over the years @ Alcoa. He was a great trainer & was always helpful when he could. I remember him as being a little soft spoken and was pretty easy going.
My thoughts and prayers go out to the family during this difficult time.
God Speed-
Carl
