“ *Dear Jimmy, We were very saddened to hear about your Dad, we were only informed today of his passing. Melissa and I would most certainly have attended his memorial mass and burial had we known. Hank was a wonderful man and we both have very fond memories of him. I was happy to hear that your Dad, you and your family were able to spend these last few years together. I think these memories will give everyone comfort. I usually visit St. Mary's Cemetery in November to bring flowers and I will be sure to leave flowers for you Dad also. I hope you and your family are doing well Jimmy. Take Care, Melissa & Connie St. Sauveur*
