“ Grandpa I would just like to say I will miss you even though we have had our differences. It saddens me that my family wasnt made aware that you had become ill or that you had passed. So to add to your memorial I would like people to know that you are also survived by myself, your grand daughter Charemon Wilhelmi and our children, two grandson Brandon and Colby and two granddaughters Kelsey and Katelyn..Family is family we would have treasured a chance to say goodbye and make ammends..
